

# Powering Your Mission

TCG delivers tailored IT solutions to the Federal government using Agile approaches and extensible technologies. We power the missions of Federal agencies, solve their most complex challenges, and expand the possibilities for them and the citizens they serve.

## CAPABILITIES

- ▶ Agile Application & Software Development
- ▶ DevSecOps
- ▶ Cloud Application Development, Modernization, & Migration
- ▶ Planning, Programming, Budgeting, & Execution (PPBE)
- ▶ Atlassian Managed Services
- ▶ Health IT & Analytics

## EXPERIENCE

TCG's applications and IT services help develop a transparent, efficient, and ethical government. With over 30 years of work in the Federal sector, our influence can be found across all of government.

## MISSION ALIGNMENT

Our work for Federal agencies is part of our mission as a B Corp to have a positive impact on the country and our communities. This means that the success of TCG rests on how well the tools, products, and services we deliver support and accelerate the missions of Federal agencies.

Collaboration is integral to our processes, enabling us to apply the right approach for each unique context and execute our work efficiently to deliver value.

# Powering Your Mission

## MAX.GOV (OMB)

### SUCCESS STORY

MAX.gov is a set of Federal shared services that provides users across government with tools for collaboration, authentication, data collection, and business intelligence. Since 2004, TCG has supported MAX.gov with program and project management, technical architecture, tools development, and partner management.

- 300,000 users across 200 federal agencies
- Over \$140 million saved in development costs through shared service model
- 190 collaboration spaces with 70,000 active pages
- 85,000 PIV/CAC cards

## MILLENNIUM CHALLENGE CORPORATION (MCC)

### SUCCESS STORY

MCC is a U.S. Government foreign aid agency that provides financial assistance to promote economic growth, reduce poverty, and strengthen social service institutions within developing countries. TCG developed software to collect, aggregate, and analyze the data which MCC staff uses to make fact-based decisions on aid. As a result, MCC ranks first among U.S. federal agencies and seventh in the world for aid transparency, according to the Aid Transparency Index.

## U.S. OFFICE OF GOVERNMENT ETHICS (OGE)

### SUCCESS STORY

TCG worked with OGE to develop *Integrity.gov*, the electronic financial disclosure system that presidential appointees, legislators, and senior government executives use to report financial holdings information. *Integrity.gov* enhances oversight of government ethics, increases the uniformity of public financial disclosure, and promotes transparency in the financial disclosure process.

- *Integrity.gov* has 20,000 users at 140 agencies
- *Integrity.gov* filers received OGE certification 66.8% faster than the previous system.
